-MASTER STRENGTH BUILDER OF THE BLOOD

The PowerBehind the Strong Sturdy Men and Healthy Beautiful Women of Today

"To make strong, keen, red-blooded Americans there is nothing in my experience which I have found so valuable as organic from-Nuxated Iron" says Dr. James Francis Sullivan, formerly Physician of Bellevue Hospital (Outdoor Dept.), New York and the West-chester County Hospital. Nuxated Iron by enriching the blood and creating new blood cells strengthens the nerves, rebuilds the weekened tissues and helps to instill renewed energy and endurance into the whole system. It often increases the strength of weak, delicate people in two weeks' time. It is estimated that over 3,000,000 people use Nuxated Iron annually as a tenic, and blood-builder.

IRON

See how long you can work or how far you can walk without becoming tired; next take two five-grain tablets of Nuxated Iron three times per day after meals for two weeks. Then test your strength again and see how much you have gained. Numbers of nervous, run-down people who were ailing all the while have most astonishingly increased their strength and endurance simply by taking iron in the proper
